Energising Scientific Endeavour through Science Gateways
and e-Infrastructures in Africa

Issue #1 - July 2015

Dear colleague,

The Sci-GaIA Partnership is very pleased to bring to your attention the latest developments in the field of Africa-EU cooperation on e-Infrastructures. The Sci-GaIA project aims at creating a sustainable foundation of educational materials and procedures for the development and management of Science Gateways and e-Infrastructures in Africa and beyond.

We do hope that you will enjoy reading this first issue of our newsletter!

Best regards,

The Sci-GaIA Partnership
